Industrial Training Testimonial

This is certified that Mr. Aman Kumar, a Student of B. Tech in Electrical Engineering from the Haldia Institute of Technology underwent Industrial Training from 16/07/2024 to 30/08/2024 at Raghunathpur Thermal Power Station, DVC, Purulia (W.B) 723133.

During the period of Industrial Training Mr. Kumar has acquired good knowledge of the Electrical System as well as overall aspect of 2X600 MW Raghunathpur Thermal power plant.

While Industrial Training, he was found to be a person of active habits and eager to perform his task at hand.

We wish him a successful career.
